

For you, it's more than just acting. It's your life. So give your career more than just another acting class.

You've been seeking the moment since you chose to be an actor. It's the moment you feel connected to the other actor and you forget anyone is watching you. In this moment everything you do and say flows harmonically, naturally and effortlessly. The moment and feeling of **being in the "Zone"** is elusive, yet, it is not impossible to replicate when and where you need it most. This is where Loren E. Chadima's acclaimed Intentional Acting comes in.

Your Career Is Talking. Loren Is Listening.

Led by **Award-Winning Director and one of the top Acting Coaches in America, Loren E. Chadima**, Intentional Acting not only teaches the art of acting thorough script analysis, but also utilizes the nine (9) Intentional Acting questions that are at the center of all acting – doing.

Intentional Acting is designed to empower actors with the tools to create compelling, natural "Zone" performances. The tools, principles and methodologies taught through Intentional Acting will help the actor to be confident, creative, present and passionate which results in higher success rates for the actor to secure the job and fulfill their dreams.
